August 17

Successfully navigate the challenges and opportunities facing the legal profession today and in the future. Find and keep clients and save time and money with world-class technology and practice management advice. Plus, build your confidence by staying up to date on the latest trends in your practice areas.

Whether you're starting a new practice or giving your current firm an overhaul, the Institute has exactly what you need to:

- Calculate must-know metrics to gauge your firm's financial success
- Spend your technology dollars wisely and get great tech at an affordable price
- Discover the factors consumers now use to select legal counsel and adopt new strategies to reach them
