Events/Seminars:

The General Practice section is a founding sponsor of the Solo and Small Firm Institute, which will be held at the Annual Meeting of the State Bar September 27 and 28.

The Section runs a list serve which is actively used by a number of section members. The list serve allows members to pose questions, and receive answers for problems which arise in the day-to-day operation of a small firm or solo practice. It also allows the council to communicate with the members and obtain feedback.

The section continues to publish The General Practitioner on a semi-monthly basis.
