* NOTE: Time allotments are advisory and reflect only an estimate of the time needed to discuss and resolve each calendar item. Consequently, specific calendar items may be reached sooner or later than anticipated depending upon whether the discussion of matters earlier on the calendar takes more or less time than anticipated. Persons who may be interested in specific calendar items should accordingly plan to be present substantially in advance of the time indicated hereon for that item so as to guard against the possibility that it may be considered earlier than originally anticipated.
