Re: Representative Assembly

Dear Anne:

Please accept this as my letter of interest in being nominated for clerk of the Representative Assembly. I have enclosed a resume highlighting my bar association experience.

This past year I served as the Chair of the Nominating and Awards Committee. I have been a member of the Representative Assembly since 2007. I have had the pleasure of addressing the Assembly several times on behalf of the Civil Procedure and Courts Committee of the Bar (of which I currently serve as the Chair). My other State Bar service includes being a Fellow of the State Bar Foundation and previously as a local panel member for Character & Fitness.

I have also been very active in other bar associations, primarily my local Oakland County Bar Association. I am a member of the OCBA Board of Directors, and also serve as President of the Oakland County Bar Foundation. During my years of involvement, I have chaired several committees and also serve on the Executive Committee of the local chapter of the Inns of Court. In 2009, I was awarded the OCBA's Distinguished Service Award. Outside of the OCBA, I am active in both the American Bar Association (co-chair of the Intellectual Property committee in the Litigation section) and the local Federal Bar Association (co-chair, Diversity Committee and member of executive board).

I have enjoyed my years of bar service and hope to bring this same level of energy and commitment to the Representative Assembly by serving as its clerk. Please let me know if you require anything further as part of the nomination process.

Very truly yours,

Daniel D. Quick
