ASSEMBLY OFFICERS ARE EX-OFFICIO MEMBERS ON ALL COMMITTEES

NOTE: The number of Committee members allowed by Rule 7 of the Assembly's Permanent Rules of Procedure is provided parenthetically after each Committee name. Committee members must be from different Circuits, except for the Hearings Committee. Rule 7.3 of the Assembly's Rules of Procedure allows two members from the same Circuit for the Hearings Committee. The "Associate Member" category was created by Assembly Leadership in an effort to encourage committee participation in response to member interest. While Associate Members are not afforded voting rights under the Assembly's Rules of Procedure, their contributions are significant and as such they are encouraged to attend and participate in Committee meetings and tasks.
