How to Borrow on Your Mobile Device

*The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library! Watch the **See Libby in Action** video [here!](#)*

- Install the Libby app from the app store on your Android, iOS (iPhone/iPad/iPod touch), or Windows 10 device.
- Libby will ask if you have a library card. If you do not, select “Not Yet” and you will be prompted to “Find Libraries Nearby”.
- For best results, search for the State Bar of Michigan library with the zip code: 48933 and select the State Bar of Michigan library.
- To sign into the library, select the black circle located at the top right of your screen to expand the right panel and select “Enter Library Account Details”.
- **YOUR CARD NUMBER = YOUR SBM MEMBER AREA USERNAME.**
YOUR PIN = YOUR P#.
- Browse the library for up to two publications which will be available to you for 14 days free of charge
- Borrowed titles appear under *Shelf > Loans* and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline.
- From your **Loans**, you can:
 - Tap **Read With...** to choose whether you'd like to open a book in Kindle (U.S. libraries only) or Libby.
 - Tap **Open Audiobook** or **Open Magazine** to start reading or listening to that title.
 - Tap **Manage Loan** to see options like **Renew** and **Return**.
